Catering Guide

Catering Information

Hastings College

We know catering. We have a passion for everything food, especially food + design. Memorable catered events require the talent of seasoned professionals who understand the many facets that differentiate a good event from a great event.

CATERING OVERVIEW

Innovation is found through creativity. Fresh Ideas is continually searching for new ways to bring creativity to our catered events. Food should be interesting, and we believe food presentation is of paramount importance – a way to experience the excitement prior to tasting what you see.

Incredible food and amazing service are two of the things we strive to make memorable for you and your guests. While in many cases you will find exactly what you are searching for in the Hastings Catering Guide, we are happy to create a menu tailored especially for your event.
